AVOID BEING DEFRAUDED AND LIMIT DELAYS IN YOUR INSURANCE CLAIM

KNOW THE LAW

Before you hire a contractor, be aware of the following to avoid being defrauded and limit delays in your insurance claim:

- **DO NOT** accept a rebate, gift, gift card, cash, coupon, or waiver of any insurance deductible in exchange for allowing a contractor to perform an inspection OR make an insurance claim on your behalf.
- **DO** hire a contractor who can show proof of FLORIDA licensure as verified by a valid license number on our website at MyFloridaLicense.com.
- **DO** know LICENSED contractors have their background and competency checked, build to Florida Building Code standards, and will pull proper permits, so that their work does not put your financial investment or family safety at risk.
