

# **CONTRACTORS NEWSFLASH**

## **Flood Plain Elevation Certificate**

November 1, 2023

Effective Immediately

Elevation Certificates are required to be on the most current version of the FEMA form.

The current Elevation Certificate (FEMA Form FF-206-FY-22-152) can be found at the following link from FEMA's website: <https://www.fema.gov/flood-insurance/find-form/underwriting> .

Please share this information with your surveyor.
