

## **Letter of Support Template**

*(To be placed on organization letterhead)*

**[Date]**

To Whom It May Concern,

On behalf of **[Organization Name]**, I am pleased to offer our full support for the preservation and renovation of Palm Coast Fire Station 22, located at 307 Palm Coast Parkway NW in Palm Coast, Florida.

Fire Station 22 represents a significant part of our community's history. Originally constructed in 1977, the facility served as one of Palm Coast's earliest public safety hubs—housing fire, EMS, and law enforcement services during the formative years of our city. Preserving this building protects an important piece of Palm Coast's heritage and honors the generations of public servants who helped shape our community.

We strongly support the vision to repurpose the historic station into a community-centered space that includes a fire service museum, historical exhibits, and flexible meeting space for public programs, education, and civic engagement. This project will not only safeguard a landmark structure but will also provide long-term value by creating opportunities for community connection, cultural enrichment, and public safety education.

The revitalization of Fire Station 22 will strengthen community identity, promote historical preservation, and ensure this historic facility continues to serve residents for generations to come.

We respectfully urge your favorable consideration of this important project.

Sincerely,
